The Demorest Stock Company, which is producing dramatic shows under canvass on Main street this week will give the entire receipts Friday towards the Red Cross work.

Some movement should be under way to preserve the slogan that was selected for the town's cognomen "Every one for each other and all together for Scotland Neck." It is such a beautiful sentiment that it should be printed on every letter head that goes out of this town. Who has started to use the town slogan?

Quite a dramatic scene was enacted yesterday by the men who painted the town slogan on the water tank. After the work was completed the swinging irons had to be removed and as this was being done the wind rose and the water in the tank spurted out, in the midst of which the men on the top hung on in fear of their lives. It was quite a tragic situation until the wind subsided and the men descended to safety.

TAKE THE RIGHT KIND OF IRON

Urges Use of Non-Alcoholic Natural Iron as Tonic—Doesn't Hurt Kidneys.

The main danger in treating the blood and system for uric acid and rheumatism complaints lies in the excessive use of alcohol, which apparently must be used by the chemist to hold together the various medicinal elements found in the ordinary "patent" medicine referred to.

Iron alone disturbs digestion, causes constipation and is very injurious to teeth, but alcohol only increases the appetite for the moment and the last excuse for its presence is banished by the discovery of Acid Iron Mineral, a natural medicinal iron mineral which contains three forms of iron together with calcium, sodium, potassium, magnesium and sulphuric acid, all of which are valuable and non-detrimental to the stomach, kidneys, bladder, nerves and blood.

Acid Iron Mineral is highly concentrated, non-alcoholic and economical and goes from two to ten times as far as other and weaker iron remedies. It is just a pure, powerful, medicinal iron for weak, nervous, rheumatic, rundown people, results from its use are wonderful.

All druggists have Acid Iron Mineral (natural iron). A half teaspoonful in a glass of water is a dose. Get a fifty cent or dollar size bottle and note how it improves the family's digestion, appetite and strength. It helps sluggish, impure blood and the iron drives out uric acid and other poisons so apt to cause rheumatism and kindred complaints. As a tonic for spring it is unequalled. It paints the cheeks, brightens up the eyes, and puts the "stay there" in the blood and nerves. If overworked, run down and in need of a system tonic, blood purifier and appetite maker get A-I-M at the nearest drug store today. Large bottle sent prepaid anywhere on receipt of \$1 by Ferroline Chemical Corporation, Roanoke, Virginia, U. S. A.

Master Haywood Fountain of Rocky Mount, N. C., is visiting Master Eugene Whitehead.

SAYS PHOSPHATES MAKE BEAUTIFUL WOMEN AND STRONG, HEALTHY, VIGOROUS, ROBUST MEN

Physicians all over the world are prescribing phosphates to build up run down emic conditions and those who have treated their patients with Argo-Phosphate are changing thin emic women with toneless tissues flabby flesh into the most beautiful rosy cheeked and plump round formed women imaginable.

Atlanta, Ga. Dr. Jacobson said in a recent interview that 90 per cent of anemia comes from nervous breakdown which can only be corrected by supplying the necessary phosphates to the nervous system that is lacking in the food you eat, and this can be quickly supplied by taking one or two 5 grain Argo-Phosphate tablets after each meal and at bed time. It will in many cases make a pale serawny face the picture of health in a few days. I have seen women that I expected would have to be kept under treatment for months restored to perfect health in one or two weeks time.

SPECIAL NOTICE. The Argo-Phosphate recommended by Dr. F. H. Jacobson contains phosphates such as are prescribed by leading physicians throughout the world, and it will be found the most effective form for treating patients with Nervous Dyspepsia, Stomach troubles, Brain Fag and Nervous Prostration. It will renew youthful vim and vigor, and build up the whole body. If your druggist will not supply you with Argo-Phosphate, send \$1.00

Miss Sue Kitchin, of Raleigh, is visiting Mrs. C. L. McDowell.

Mr. John Cary Whitaker motored over from Enfield this morning on business.

No. 666

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

NOTICE TO THE PUBLIC

I shall close my shop July 1st, and all work on hand non finished at that time will be turned over to the owner so that he can have it finished elsewhere.
